Dear Sir:

This Amendment is submitted in response to a final office action in the above case dated October 10, 2006 ("Final Office Action") in which the Examiner rejected all the claims as anticipated (35 U.S.C. §102) or obvious (35 U.S.C. §103) over cited art. On December 14, 2006, the Examiners and attorney for Applicants discussed amendments to the claims. Applicants amended certain of the claims and submit that all pending claims 1-31 are patentable over the cited art and in condition for allowance for the reasons discussed herein.

Amendments to the Claims are reflected in the listing of claims which begins on page 2.

Remarks/Arguments begin on page 8.
